iCARE Study – Survey 8

Study Description:

This study seeks to understand the experiences people are having around the world during the COVID-19 (coronavirus) pandemic. It is being conducted by an international team of over 150 researchers, led by Drs. Kim Lavoie and Simon Bacon in Canada.

Anyone can participate. The study involves completing a short survey that takes about 20 minutes to answer. You cannot save your answers and come back later, so please make sure to give yourself enough time.

Keep in mind that you can stop participating at any time. You can also skip any question you do not want to answer.

Our findings will be available to anyone at: www.mbmc-cmcm.ca/covid19.

Anonymity and Security:

All answers will be anonymous. We will not ask anything that can identify you personally. Participating does not involve any risks.

All data will be stored for 10 years on a Canadian University server (University of Quebec at Montreal). Data will be password protected, and only accessed by authorized individuals, such as team members. We will also share data with national and international research collaborators in line with international data sharing agreements supported by the Fonds de la recherche du Québec.The study was approved by the Research Ethics Committee of the CIUSSS-NIM (Centre intégré universitaire de santé et de services sociaux du Nord de l'Île de Montréal: https://www.ciusssnordmtl.ca/).

During the study, please remember:

- A red asterisk (*) appears next to required questions. If you do not wish to answer required question, click "I don't know/I prefer not to answer" to continue.
- If you have difficulty viewing the survey, please try a different device and/or web browser.

If you have any questions, please email us at: covid19study@mbmc-cmcm.ca.

If you agree to participate, please click "Next".

B. REACTIONS TO COVID-19

Different organisations, governments, and health authorities have recommended people do a variety of things to reduce and slow the spread of COVID-19 in the population. Please answer the following questions according to where you live now.

10. For each of the following, please indicate what actions or behaviours your **government or local health authority is currently recommending**:

Where I live has the following prevention measures in place			
	Yes	No	I don't know/prefer not to answer
Hand washing with soap and water			
Wearing a face mask in indoor spaces (shops, restaurants, public transit, at work)			
Wearing a face mask outside			
Staying at least 1-2 metres / 3-6 feet away from other people			
Staying/working at home rather than going to work or school			
Self-quarantining if you are returning from a trip			
Self-isolating if you have the virus or believe you have the virus			
Avoiding going out to bars/pubs/restaurants			
Avoiding large social gatherings			
Avoiding small social gatherings			
Avoiding indoor social gatherings			
Avoiding any non-essential travel			

11. To what extent do you believe that the measures asked of you by your government or local health authority **are important** to prevent and/or reduce the spread of COVID-19?
    - Very important
    - Somewhat important
    - Not very important
    - Not important at all
    - I don't know/I prefer not to answer

12. What do you think of the **actions taken** by your government or local health authority to prevent and/or reduce the spread of COVID-19?
    - Too strict
    - About right
    - Too lenient
    - I don't know/I prefer not to answer

This work is licensed under CC BY-NC-SA 4.0. To view a copy of this license, visit https://creativecommons.org/licenses/by-nc-sa/4.0

13. Do you think your government or local health authority's actions are motivated by:
    a. Mainly protecting people's health related to COVID-19
    b. Generally protecting people's health related to COVID-19 and a little bit on protecting the economy
    c. Generally protecting the economy and a little bit on protecting people's health related to COVID-19
    d. Mainly protecting the economy
    e. I don't know/I prefer not to answer

14. Please indicate the **frequency with which you have adopted each action/behaviour** in response to the COVID-19 pandemic:

ACTION or BEHAVIOUR						
	Most of the time	Some of the time	Seldom	Never	I don't know/I prefer not to answer	Not applicable
Hand washing with soap and water						
Wearing a face mask in indoor spaces (shops, restaurants, public transit, at work)
